AAP seeks digital copies of electoral rolls in Excel format from Gujarat CEC

Threatens to launch an agitation in case the said information is not received in seven days

EXPRESS NEWS SERVICE AHMEDABAD, AUGUST 12

THE GUJARAT unit of the Aam Aadmi Party (AAP) has requested the digital copies of electoral rolls used in the Ahmedabad Municipal Corporation elections of 2016 and 2021, as well as the Gujarat Assembly polls of 2017 and 2022 in Excel format from the Election Commission of India (ECI).

AAP's Gujarat General Secretary Sagar Rabari, has penned a letter to Chief Electoral Officer (CEO) of Gujarat, seeking the digital copies of the rolls in seven days.

Rabari has threatened to launch a public agitation against the CEC in case the said information is not received in seven days.

Addressing a press conference on Tuesday at the party's headquarters in Ahmedabad, Rabari, accompanied by party's spokesperson Karan Barot, also released the letter sent to the CEC. In his letter to the CEC, Rabari has stated that AAP national convenor and former Chief Minister of Delhi, Arvind Kejriwal, had raised the issue of many complaints of irregularities in electoral

rolls before the assembly polls in Delhi, but no correction was made in it then.

After that the electoral rolls used in Maharashtra assembly elections and 2024 Lok Sabha elections have strongly come under suspicion. The issue has raised strongly at national level," Rabari stated in the letter.

"All the opposition parties are coming together and fighting for the equal voting right of the voters, transparent elections and saving the democracy,"

Rabari said further.

He added, "In Gujarat, during the Ahmedabad Municipal Corporation elections in 2016, complaints were raised that entire societies of Patidar community, in large numbers, had gone missing from the electoral rolls at the last moment. Similarly, there is a strong belief among people that during the assembly elections (of 2017), all the classes of the society were agitating and there was immense opposition towards the government and de-

spite that BJP won the elections in an undemocratic manner".

"In the elections of 2022 too, people were discussing that similar irregularities had been committed," the AAP leader said.

Rabari has sought the digital copies of the electoral rolls from CEC to ensure that the confidence of voters of Gujarat 'stays intact' in the election process, election commission and democracy.

"If the Commission fails to provide the electoral rolls as sought... then the people of

Gujarat will consider it as the Commission's partnership in murder of democracy. As a national party, (it will) force us to do extensive public awareness and public agitation to protect democracy, equal rights, and the Constitution which will not be good for the national and international image of the Commission," said Rabari.

Reacting to AAP's claims on BJP winning election in undemocratic manner, media convenor of Gujarat BJP, Yagnesh Dave, said, "If BJP won in undemocratic manner, then it can be said that Gopal Italia (of AAP) too won in undemocratic manner (in the recent Visavadar bypoll). In the past, they won three in Delhi and twice in Punjab. Did they win there also in an undemocratic manner? The same Election Commission was there too."

"Secondly, the Election Commission puts its electoral rolls online. There is no need to ask for it. You can download it from the Election Commission's website even today. Everything is open. I don't know which age they live in. In short, without evidence, it is their tendency and method of making allegations against BJP" he said.

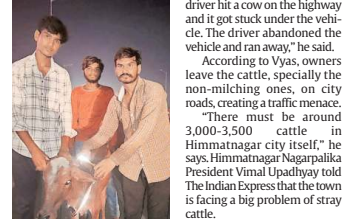

PARIMAL A DABHI AHMEDABAD, AUGUST 12

MITUL VYAS, an animal rights activist from Himmatnagar in Sabarkantha district, has taken up a campaign to fix radium straps on stray cattle so as to avoid road accidents involving the animals during night hours, especially on the highways.

"During the monsoon season, stray cattle sit on the roads to keep away from insects. These cattle are barely visible to drivers at night, resulting in road accidents. And to prevent such accidents, we are fixing radium straps around the neck of cattle so that drivers can see them through the reflection," Vyas said.

Vyas said that he and his volunteers also fix the radium straps on the horns of the cattle so that it cannot be removed easily. "Our effort is to prevent at least 10% of such accidents," Vyas said, adding that they incur an expense of around Rs 10,000, 15,000 a year for fixing radium straps on stray cattle.

"I have been doing this for the past four years. Earlier, we used to fix the radium strap around the cattle's neck, but it ran the chances of slipping through or the cattle owner removing the same. So

driver hit a cow on the highway and it got stuck under the vehicle. The driver abandoned the vehicle and ran away," he said.

According to Vyas, owners leave the cattle, specially the non-milching ones, on city roads, leading to traffic menace.

"There must be around 3,000-3,500 cattle in Himmatnagar city itself," he says. Himmatnagar Nagarpalika President Vimal Upadhyay told The Indian Express that the town is facing a big problem of stray cattle.

"We are planning to tag all cattle in the town after Janmashami. There are around 2,500 cattle in the town, most of them belong to the people of Malthari community," he says. Himmatnagar Nagarpalika President Vimal Upadhyay told The Indian Express that the town is facing a big problem of stray cattle.

Though the administration imposes fines on the owners of stray cattle, Upadhyay said that it has not been an intense exercise thus far.

BANASKANTHA

Fresh arrest in 18-yr-old's murder case: Teen's uncle held, search on for father

BRENDAN DABHI AHMEDABAD, AUGUST 12

EVEN AS Sindhia Darga Patel, the father of Chandrika Chaudhary, who is the main accused in her murder, remained absconding for almost a week since a police inquiry found that the death of the 18-year-old woman in her home was allegedly an honour killing,

the Banaskantha Police on Monday arrested an uncle of the deceased on murder charges.

The police arrested Naran Sava Patel in the murder case in which Chandrika's father and his brother, Shivram Darga Patel, were booked on August 6, for the alleged murder and hurried cremation that took place on June 24 and 25.

Naran Sava Patel is the cousin of Sindhia and Shivram. Naran's name was not in the original FIR but was added to it after police found reasonable grounds to place him under ar-

rest, officials probing the case said.

Police have formed several teams to arrest the main accused, Sindhia Patel. According to ASP Suman Nala, Sindhia had gone missing when the preliminary inquiry into the death of Chandrika was underway in the first week of August and hadn't been seen since then.

Family members of Chandrika had been booked under BNS provisions based on a complaint by Hresh Chaudhary, the live-in partner of Chandrika.

According to police, Sindhia and Shivram had allegedly killed Chandrika on June 24 by giving her sleeping pills and then hanging her. They then allegedly told the rest of the family that she died by suicide. She was cremated the next morning, on June 25. The family also managed to obtain a death certificate, which was submitted in the Gujarat HC, leading to the disposal of the habeas corpus plea filed by Chaudhary.
